NEW
Products!

Our mission here at SERV-WARE™ is to provide the highest quality products for our pricing level in the food service industry.

The Serv-Ware Difference

When choosing a company for your specific food service requirements, you need a company that's experienced, responsive and can deliver in more ways than one. That's why at the very heart of Serv-Ware is our team. Our team is experienced in all facets of the food service equipment industry and we are always here to support our customer network no matter how big or small the project.

Your #1 Source

From refrigerators and freezers, sandwich and pizza preps, glass door merchandise, cooking equipment, wire shelving, sinks and tables to worktables and stands to plumbing, think Serv-Ware Products. And when you need customer service that's above and beyond, call on the Serv-Ware team, we'll be there to fulfill your needs!

> " The company that strives to find new ways to give more for a buck than
> take more for a buck will surely do well and shake their industry."
> - Henry Ford

Cheesemelter

Features & Benefits:

- Gas infrared burner for better even heat distribution
- Extra large infrared burner to cover large cooking area
- Instant heating up, no need to pre-heat
- Standby pilot for easy start
- Three rack positions
- Chrome coating wiring grid
- Zinc alloy knob with chrome coating
- Oil collector at the bottom
- Easy conversion from natural gas to propane
- Stainless steel in the front and sides
- Manual control

Cheesemelter

Item #	Description	Size	Price Ea.
SGCM-36	36" Gas Cheesemelter	36" W x 18.7" D x 22.8" H	$

Salamander

Features & Benefits:

- Stainless steel structure
- 6 Cast iron burners
- Infrared burner can cook food faster
- Spring-balanced lifting system, easy to adjust
- Grills can be rolled out for easy loading, unloading, and cleaning
- Grill stopper to prevent grill falling off
- 5-height locking position for different temperatures
- Continuous pilot for instant ignition of main burner
- Stainless steel crumb tray to collect dropped food
- Wall mounting kit included for saving kitchen space
- Can match 36" or 60" ranges (Kit to be ordered additionally)
- 3⁄4" NPT rear gas connection

Gas Radiant Charbroilers & Hot Plates

Radiant Charbroilers

Features & Benefits:

- 35,000 BTUs per burner provide intense heat
- Durable, attractive stainless steel construction
- Front edge is cool to the touch for safe cooking
- Stainless steel U-style burner optimizes heat control & distribution
- Heavy-duty 10-gauge stainless steel radiant for maximum heat distribution
- Cast iron grates can be adjusted for three different grilling positions
- Perfect for a variety of food on one unit
- Reversible cast iron grates make for varied grill marks
- Easily adjustable pilots with front access for quick lighting
- Back & side splashes offer protection against nasty spills
- Unit serviceable from the front
- Stainless steel legs have adjustable non-skid feet
- Ships ready for natural gas, LP conversion kit included

Electric Thermostatic Griddles & Panini Grills

Electric Thermostatic Griddles

Features & Benefits:

- Heavy duty stainless steel construction
- Stainless steel heating element for high efficiency
- ½" Steel cooking plate (ETG-16, ETG-24, ETG-30) 1" Steel cooking plate (ETG-36)
- Even heating/high heat retention
- Removable grease tray
- Indicator lights for power and heat
- Energy saving high output - highly efficient
- Adjustable 4" heavy duty stainless steel legs
- Temperature range 150°–570° F
- 1 year replacement part only warranty
- ETG-16, ETG-24 & ETG-30 power cord supplied.

Electric Thermostatic Griddles

Item #	Description	Size	Price Ea.
ETG-16	16"	16.14" W x 19.76" D x 9.40" H	$

Electric Heater Proofers & Convection Oven

Heater Proofers

Features & Benefits:

- All welded heavy duty construction
- SC1836HP - Full size non-insulated
- SC1836HPI - Full size insulated
- UL approved PC clear door
- Door lifts off for easy cleaning and accessibility
- Control panel and easy-to-read LED display on removable bottom control drawer
- Proof mode adjusts humidity between 30% and 100% up to 115 degrees F
- Heat mode with 9 adjustable settings can reach 185° F
- Perfect for storing a wide variety of ready-to-serve dishes
- 36 pan slides accept full size 18" x 26" sheet pans
- Seal in the heat with both magnets and tight-fitting gasket to proper temperature
- Requires a 120V, 1440W electrical connection 15 amp dedicated service
- Comes standard with cord and NEMA 5-15P plug
- UL and NSF listed
- Unit ships with casters (2 brake & 2 non brake)
- 1 year parts and labor warranty

Heater Proofers

Convection Oven

Features & Benefits:

- High-efficiency oven with high-efficiency heating tube, direct forced hot-air system, 220V, 60Hz, one phase.
- Electronic temperature controller.
- Double layer heat-resistant glass doors and windows with chamber light.
- 60 minutes continuous bell timer, also can be manually cut off.
- 1/2-1/10HP two-speed air cooling fan & motor.
- With electric heating indicator light and power stand-by indicator light.
- Stainless steel chamber with arc angles.
- 11 removable grid rail, space 1 5/8″, 3 chrome net frames.
- The top & front part are made of stainless steel.
- Black coating steel feet are adjustable.
- Independent stainless steel door, double-layer heat-resistant glass window, with separate door handles.
- Stainless steel door seal.
- Double equipment, superposition device.
- Hinged control panel installed in the front, easy to disassemble & repair.
- The top, side, back of the oven & the internal are made by industrial durable insulation materials.

Convection Oven

Item #	Description	Size	Price Ea.
SECO-2201	Electric Convec.Oven	38.11" W x 41.46" D x 54.09" H	$

Warmer Drawers

Features & Benefits:

• Heavy duty stainless steel construction with 1" thick fiberglass sheet fully insulated.

• 11 gauge stainless steel drawer slides with 14 gauge slide brackets makes the drawer jam free.

• Accommodates standard size pans 12" x 20" x 4" (*Included), adjustable "pan supports" accommodates various pan sizes.

• Each drawer individually controlled by LED digital temperature controls to accurately monitor the temperature, indicator lamp and vent controls.

• Temperature range of 80° - 220°F.

• A unique heating system that provides consistent temperatures makes the food in it remain moist and flavorful for as long as possible.

• Available in 1-drawer, 2-drawer, and 3-drawer freestanding models.

Warmer Drawers

Item #	Description	Size	Price Ea.
*SWPWDS-1	1 Drawer Warmer	27.75" W x 21" D x 14.88" H	$

CBK-5	Fits EST5-2	72.3" W x 7" D x 5/8" H	$

Planetary Dough Mixers

Features & Benefits:

- Gear driven, high torque transmission
- Three speeds
- Manual Timer (20 & 30 quart only)
- Heat-treated hardened steel alloy gears and shafts
- Permanently lubricated transmission
- Thermal overload protection
- Rigid cast iron body
- Stainless steel bowl guard
- Safety interlocked bowl guard and bowl lift
- Industry standard #12 attachment hub (20 & 30 quart only)
- 120 Volt NEMA 5-15 P
- ETL listed
- Includes dough hook, beater & wire whip
- 1 year parts & labor warranty

Planetary Dough Mixers

Item #	Description	Size	Price Ea.
PM10LA	Planetary Dough Mixer	10 quart	$

Serv-Ware Products Trade Terms & Conditions

PRICING

All prices are subject to change without notice. Order placed for future delivery may be subject to change. We are not responsible for any printers' errors. Possession of our Price List or Net Flyer does not constitute an offer to sell.

ORDERS & BACK ORDERS

Serv-Ware Products does not have a minimum order charge. We do not have an order cutoff time; we strive to ship every order the same day. We accept orders by phone, fax or email, which ever is most convenient for your company. Any duplication of orders not marked "confirmation" is the responsibility of your company. Back orders do not qualify for Free Freight unless it meets the requirements stated above. Email all purchase orders to **info@servware.com**

RETURN POLICY

Returns will not be accepted without prior authorization from our customer service department. All returns must show the return authorization number on the shipping label or packing slip. Merchandise returned without an authorization number will not be accepted. Return merchandise must be in saleable condition. Credit will not be issued for used, obsolete or shelf worn merchandise. All authorized returns must be sent freight prepaid and will be subject to minimum of 25% restocking fee. On items returned after 30 days of invoice, the restocking fee will be at our discretion. Items older than 6 months of invoice date are not eligible for return. Free Freight orders are credited less freight cost.

ACCOUNT TERMS

Payment terms are net 30 days for approved customers. Contact customer service for credit application. New accounts please allow 3 to 5 business days to check credit. A 1.5% per month service charge will be applied to all invoices 30 days or more past due. The buyer agrees to pay all applicable attorney and collection fees. A $50 charge will be issued for returned checks. We will not accept any charge backs or penalties deducted from payment without written authorization from our corporate office.

WARRANTY

Visit our website at www.servware.com or see individual spec sheets for details.

PRODUCT WARRANTY
SERV-WARE™
PRODUCTS LLC

SERV-WARE PRODUCTS, LLC. warrants all of its products, to be free of defects in materials and workmanship, subject to tolerances and variances permitted by trade or industry standards. This warranty period begins on the delivery date to the buyer. Items covered by the warranty, shall be in connection with the original installation only. Please refer to specification sheets for details on items with extended warranty coverage.

This warranty is a product repair or replacement warranty only. Any labor, shipping, or handling charges incurred in the handling of the replacement item is the sole responsibility of the buyer and is not covered by the warranty.

Only items manufactured by Serv-Ware Products, LLC. are covered by the above warranty. Any other items sold or re-distributed by Serv-Ware Products, LLC., shall be covered by that specific manufacturers warranty policy, as administered by Serv-Ware Products, LLC.

FREE FREIGHT PROGRAM

Serv-Ware Products LLC offers free freight on qualifying orders, as per the above map, unless otherwise specified. Items must be in stock at the time of purchase and must ship from one location to one destination, within the continental United States. No free freight on backorders is allowed, freight charges will be added to your invoice. You can however combine your backorders (once available) with other items to qualify for the free freight allowance. We reserve the right to choose the shipper.

Any additional service such as; lift-gate, notification of delivery, inside delivery or other special requirements will be subject to an additional charge to your invoice. Any charges from freight companies that arise due to incorrect addresses provided by the customer or rejected shipments that were previously approved will be charged back to your account.

FREIGHT CLAIM

Before accepting any shipment, inspect it carefully and note any damage or shortage on the freight bill before signing for the delivery. If any concealed damage or shortage is found, notify the carrier within five days and request an inspection. Report any damage to Serv-Ware Products within five days of delivery. Retain the original packaging for claim purposes. Serv-Ware Products is not liable for any damage or loss. Our responsibility for shipment ceases with acceptance of the " Bill of Lading" by the carriers.
